Case No. 3:23-mj-00456

**Filed Under Seal**

**AFFIDAVIT IN SUPPORT OF**  
**AN APPLICATION FOR A SEARCH WARRANT**

I, **Sean C. Humphrey**, being first duly sworn, hereby depose and state as follows:

1. I, Detective Sean C. Humphrey, am employed by the Dayton Police Department and have been so since July of 2008. I have been assigned to Patrol Operations and am currently assigned to the Narcotics Bureau - Montgomery County Regional Agencies Narcotics and Gun Enforcement (RANGE) Task Force. I have extensive prior experience in investigating drug cases that resulted in successful prosecution of persons involved in trafficking of drugs, possession of drugs and other related offenses. I have been involved in narcotics related arrests, executed search warrants that resulted in the seizure of narcotics and participated in undercover narcotics purchases. Through training and experience, I am familiar with the manner in which persons involved in the illicit distribution and sales of controlled substances often operate. These subjects usually attempt to conceal their identities, as well as the locations at which they reside and where they store controlled substances and the illegal proceeds derived therefrom. Through training and experience, I am familiar with the practices of narcotics distributors and sellers, whereby they attempt to conceal the true nature, source and location of proceeds of illegal activity, commonly referred to as money laundering. I have been a Task Force Officer with the United States Postal Inspection Service since November 2022. I am presently assigned to the Cincinnati Field Office of the United States Postal Inspection Service, Pittsburgh Division, with investigative responsibility for Southern District of Ohio. Part of my responsibility involves investigating the illicit use of the United States Mails in the transportation of narcotics, other dangerous controlled substances, and financial proceeds from, or instrumentalities used in, the sale of such narcotics and controlled substances (hereinafter, "Drugs and/or Proceeds").

2. Based on my prior training and experience as a Task Force Officer with the United States Postal Inspection Service, I have become aware that drug traffickers frequently use United States Priority Mail Express (overnight) or Priority Mail (2-3-day) to transport Drugs and/or Proceeds. Additionally, as a result of prior investigations, law enforcement training, and successful controlled-substance prosecutions involving the use of the United States Mail, I have learned of certain common characteristics and/or circumstances that indicate that a particular package may contain Drugs and/or Proceeds. These circumstances and/or characteristics include, but are not necessarily limited to, the following: the mailer uses different post offices on the same day to send packages, the return address is false or non-existent, the addressee is not known to receive mail at the listed delivery address, the package is heavily taped, the package is mailed from a known drug source location, the labeling information contains misspellings, the label contains an illegible waiver signature, unusual odors emanate from the package, and the listed address is located in an area of known or suspected drug activity.

3. On October 26, 2023, the U.S. Postal Inspection Service intercepted a package (hereinafter “the Package”) at the Cincinnati Network Distribution Center in Cincinnati, OH. The Package is a white USPS Priority Mail flat rate box bearing tracking number 9505 5118 0513 3297 7145 94 mailed from Post Office 85031, which is in Phoenix, Arizona, postmarked October 24, 2023, with the following address information:

**Sender:** LMC  
113 N Holloway  
Dayton, Ohio  
45417

**Addressee:** 113 N Holloway  
Dayton, Ohio  
45417

Through training and experience as a Task Force Officer with U.S. Postal Inspection Service, I know that the Phoenix, Arizona area has long been known to be a drug source location.

4. I was unable to perform a check in CLEAR for the recipient’s information since no name was listed on the Package for the recipient. CLEAR is a law enforcement database that is used as a tool for investigators to identify person/business and address information.

5. I was able to perform a check in CLEAR for the sender’s information listed on the Package of “LMC, 113 N Holloway, Dayton, Ohio, 45417” According to CLEAR, there is no

“LMC” or any individual with the initials “LMC” associated with 113 N. Halloway Ave., Dayton OH, 45417. Additionally, according to postal business records, the package was mailed out of Phoenix, Arizona. However, the sender address, matches the recipient address in Dayton, Ohio.

6. On October 26, 2023, at the request of the U.S. Postal Inspection Service, K9 Detective Tony Hutson of the Montgomery County Sheriff’s Office conducted a narcotics-detection canine “free air” check of the outside of the Package. An Inspector/TFO was present during said check. Prior to conducting the “free air” check, the Package was placed in a room with multiple similar and like packages. As set forth in the attached affidavit of K9 Detective Hutson, “Hank” alerted positively for the presence or odor of a narcotic or other controlled substance exuding from the Package. “Hank” is a properly trained and certified narcotics-detection canine.

7. Based on my prior law enforcement training and experience as a United States Postal Inspector, the Package’s address information, including (i) failure to provide full and accurate information for the return address, (ii) failure to provide full and accurate information for the recipient address, and (iii) the positive alert of the narcotics-detection canine are all indicative of and consistent with Drugs and/or Proceeds being present in the Package.

Therefore, a search warrant to open the Package is requested.

Further, your affiant sayeth naught.

Respectfully submitted,

*Sean C. Humphrey*

I, Officer Anthony Hutson, am and have been employed by the Montgomery County Sheriffs Office since 1998. Among other duties, I am currently the assigned handler of narcotics detection canine "HANK" which is trained and certified in the detection of the presence or odor of narcotics described as follows:

Cocaine, Methamphetamine, Heroin and derivatives

On 10/26/23, at the request of Postal Inspector TFO Humphrey, I responded to the Dayton PD&C, where "HANK" did alert to and indicate upon:

USPS Priority Mail Tracking # 9505 5118 0513 3297 7145 94

TO:

113 N Halloway  
Dayton, Ohio  
45417

FROM: LMC

113 N Halloway  
Dayton, Ohio  
45417

Which, based upon my training and experience and that of "HANK", indicates there is contained within or upon the above described item, the presence or odor of a narcotic or other controlled substance.
